

# Investing for Success

**Under this agreement for 2022  
Collinsville State High School will receive**

**\$71,840**

## This funding will be used to

- Build Effective Teaching and Learning practices to increase student engagement and achievement across the curriculum.
- Build the capabilities of staff and students in effective writing across the curriculum.
- Increase the attendance rates for all students from 83.5% to 90% resulting in improved academic outcomes.
- Decrease the percentage of students attending less than 85% from 48% to 20%.
- Increase the percentage of students achieving an A-C result in English, Maths, Science and Humanities in Years 7 to 10 from 74% to 90%.
- Increase the percentage of students achieving an A-B result in English, Maths, Science and Humanities in Years 7 to 10 from 40% to 50%.
- Improve Queensland Certificate of Education or Queensland Certificate of Individual Achievement attainment from 86% to 100%.

## Our initiatives include

- Building teacher capacity to implement Effective Teaching and Learning practices across all curriculum areas through coaching, feedback and moderation processes.
- Releasing teachers to participate in moderation processes within our cluster/region for the Senior Curriculum and Year 6 to 7 transition.
- Improving student academic outcomes through additional teacher aide support in core curriculum areas.
- Implementing an Inquiry cycle to increase the capabilities of staff to teach effective writing and students to produce effective writing across all curriculum areas, with a focus on Year 7 & 8 English.

## Our school will improve student outcomes by

- Investing in targeted professional development to build teacher capability in effective writing and moderation processes. ~ \$2 000
- Purchasing additional teacher time to support the release of teachers to participate in moderation processes in Junior and Senior Curriculum. ~ \$6 000
- Purchasing additional teacher aide time in order to support academic achievement in Junior core curriculum classes and Senior subjects. ~ \$28 840
- Purchasing additional HOD time to support academic achievement in the Junior School. ~ \$35 000
